CUSTOM FIT SIZING: Available for dancers that have special sizing needs. We recommend this option if the dancer's measurements are greatly different than our standard sizing to insure a better fitting and proportioned garment. Please inquire for pricing.

Girth - 1. measured from center shoulder 2. down the front 3. through the crotch 4. up the back 5. end at shoulder starting point 1.
 With two piece costumes the girth is not as critical.

Bust - measured around fullest part of back and bust.

Waist - measured around natural waistline. Approximately 2 inches above belly button.

Hips - measured around fullest part of buttocks.

Inseam - measured from crotch to ankle.
